EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

1. This communication is an Examiner's reasons for allowance in response to the Request For Continued Examination application 10/040,321.

2. The following is the Examiner's statement of reasons for the indication of allowable subject matter:

a. After carefully reviewing the application in light of the prior art of record, the amended claims and additional search of all the possible areas relevant to the present application, a set of related prior art references has been found, but those prior art references are not deemed strong to make the application unpatentable. Thus, it is found that the application is now in condition for allowance.

b. Although the prior art disclose several claimed limitations, none of the references teaches a method of distributing vehicle control information which includes at least the steps of determining at a controller located at a location, vehicle control information associated with the location **and** with an operator of a vehicle, receiving at the vehicle control information at the vehicle device and arranging at the vehicle device for an indication to be provided to the operator in accordance with the vehicle control information (claims 1 and 67).

c. Claims 1-17 and 65-69 are allowable over the prior art of record (now renumbered as 1-22).

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to examiner Tan Nguyen, whose telephone number is (703) 305-9755. The examiner can normally be reached on Monday-Thursday from 5:30 AM-4:00 PM

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas Black, can be reached on (703) 305-8233.
